Work

Senior Development Analyst

COMMUNITY BRIDGES

2017—2018

Key player in fundraising & donor engagement projects. Designed & managed print logistics for agency & social projects. Developed donor ties with local businesses. Created bilingual social & print materials, supported design & communications efforts across ten programs, keeping all voices in one brand.

MEAN Stack Developer, Designer

WORTLICH.XYZ

2016—present

Designing, prototyping & staging a web app for lesson content management using an integrated backend & front-end architecture. Developing user app which is linked to the data created in the management tool. Researched, iterated and designed app brand, logo and feel.

Senior Outreach Coordinator

LATAM CONNEX LTDA

2016—2017

Standardized visual brand. Met tight deadlines for graphics, print & video. Identified Latin American audience passionate about remote work, using growth & engagement strategies. Wrote, translated, and published interviews with successful candidates. Created leads in the US. Outlined online growth strategy for a company pivot.

Design Associate & Print Quality Specialist

MINTED

2015—2016

Processed high order volumes (wedding suites, holiday cards), interpreted & fulfilled client requests, incorporating feedback on time before print. Went the extra mile to satisfy clients using my knowledge of print & layout issues, while helping improve our templating systems.

Web Designer

TRINITY PROFITS & PEOPLE

2015

Converted Flash site into mobile-first, clean & fast HTML5. Refined the visual language and gave the company logo a fresh & mobile-ready new look.

Web & Brand Designer, Outreach Associate

MONTEREY BAY ADULT DAY CARE

2014—2015

Overhauled website, redesigned brand image & increased user accessibility, providing a reassuring & coherent brand reflecting the founder's goals and mission. Managed social media, shared relevant content on a regular basis. Planned with the founder a fundraising campaign with a polished press release.

Education

Digital Publishing, A.S. Degree

CABRILLO COLLEGE

2011—2014

Communication design principles & processes. Publishing & production. Also, 3 semesters of Computer Science.

Machine Learning for Musicians

KADENZE: online arts & tech courses

2016

Introduction to the machine learning principles for the prototyping of novel forms of musical expression.

Tools & Skills

Design

Print & web. Graphic arts, typography & illustration. Adobe Suite (Photoshop, Illustrator, Indesign, Premiere).

Web & Programming

Angular, Typescript & the MEAN stack. CSS3, SASS & Bootstrap. Git & Heroku. Wordpress. PHP (*basic*). C++ (*mid-level*).

Customer Relations Tools

Salesforce, Breezy, Raiser's Edge.

Task Management

Trello, Teamwork, Base CRM & Outlook.

Languages

Bilingual in English and Spanish.
Intermediate German and French.

Other Experience

Hyperlander Design

2015, 2016

Joint project aimed at providing custom art, animation & design solutions for small Berkeley businesses.

Co-founded with long-time friend.

Santa Cruz Young Writer's Program

2014

Processing of illustrations for the 2015 issue, as part of the Digital Media team under the direction of Beth Regardz.
